Armin Van Buuren is no stranger to the global trance and progressive scene. Along side Tiesto and Ferry Corsten, Armin is considered one of the key players in the Dutch trance movement. Beginning his career in 1995, he has released global trance anthems like Blue Fear, One, Touch Me, and remixed tracks by the likes of Dido and Madonna Avenue. Armin is constantly booked and on tour playing regularly at Gatecrasher, GodsKitchen, Slinky, and large events like Dance Valley. Ranked #27 on this years DJ Magazine chart and #1 on thedjlist.com, Armin is one of the fastest rising DJ's of the 21st Century.

On June 13th, Armin Van Buuren invades the United Sound System, marking the beginning of the Global Club Series.
